**Docket No. 2016-014
Cause No. 131-146**

THE STATE OF UTAH TO ALL PERSONS INTERESTED IN THE FOLLOWING
MATTER.

Notice is hereby given that the Board of Oil, Gas and Mining ("Board"), State of Utah, will conduct a hearing on WEDNESDAY, JUNE 22, 2016, at 9:00 AM, or as soon thereafter as possible, in the auditorium of the Department of Natural Resources, 1594 West North Temple, Salt Lake City, Utah. The hearing will be streamed live on the Department of Natural Resources YouTube channel at <https://youtu.be/VGON3qzNA88>.

The hearing will be conducted as a formal administrative adjudication in accordance with the rules of the Board as set forth in Utah Administrative Code R641 et seq., and as provided for in Utah Code Ann. § 40-6-1 et seq., and Utah Code Ann. § 63G-4-101 through 601.

The purpose of the hearing will be for the Board to receive testimony and evidence regarding a Request for Agency Action filed by Crescent Point Energy U.S. Corporation that the Board enter an Order:

1. Approving unit operations and enhanced and secondary recovery operations in the Lower Green River and Green River-Wasatch Formations in the NW1/4 and S1/2 of Section 15, and the N1/2 of Section 16, Township 4 South, Range 2 East, U.S.M., Uintah County, Utah, to be known as the Wild Horse Enhanced Recovery Unit, Phase 1 (the “**Proposed Unit**”);
2. Approving an agreement for such unit operations and enhanced and secondary recovery operations;
3. Approving a plan of development and operations for unit operations and enhanced and secondary recovery;
4. Authorizing the underground injection of water into the reservoir sands of the Lower Green River and Green River-Wasatch Formations beneath said lands;
5. Approving an injection pattern in the proposed unit area;
6. Suspending the Board’s general well location and siting rules with respect to all of said lands to the extent said rules are inconsistent with the proposed operations, providing however, for appropriate setbacks;

7. Authorizing the Division of Oil, Gas and Mining (the “**Division**”) to approve well locations within the Proposed Unit Area on an increased well-density basis where such locations promote conservation and increase the ultimate recovery of oil or gas;

8. Certifying the Proposed Unit as an Enhanced Recovery Project for purposes of the severance tax rate reduction provided by Section 59-5-102(7) of the Utah Code;

9. Vacating the Board’s Order entered in Cause No. 142-13 establishing the Southern Randlett Increased Well Density Development Project Area for said lands, but preserving the Applications for Permit to Drill (APD) that have been approved pursuant to that order; and

10. Providing for such other and further relief as may be just and equitable under the circumstances.

Objections to the Request for Agency Action must be filed with the Secretary of the Board at the address listed below no later than June 8, 2016. A party must file a timely written objection or other response in order to participate as a party at the Board hearing. Failure to participate can result in a default judgment.
